Re: Linda Krupp v. Impact Acquisitions LLC
E.D. WI Case No. 14-cv-950

Dear Greg,

Our law firm represents Plaintiff Linda Krupp in a federal lawsuit for unpaid overtime wages against Impact Acquisitions, LLC. The lawsuit alleges that Ms. Krupp and other Digital Service Technicians at Impact were paid an annual salary regardless of their hours of work. As a result, in workweeks where Digital Service Technicians worked more than 40 hours, they may have been improperly denied overtime wages under the Fair Labor Standards Act ("FLSA").

It is our understanding that you worked as a Digital Service Technician at Impact within the past three years and may have a claim for unpaid overtime wages under the FLSA. If you would like to join the lawsuit, please fill out and return the enclosed Consent Form. Once we receive the form, we will file it with the Court and your FLSA overtime claims will be asserted in this lawsuit. Please keep in mind that your claims for unpaid wages under the FLSA can only go back two to three years from the date that your Consent Form is filed with the Court. As a result, each day that passes may decrease any potential overtime damages that you may be owed.

Please feel free to contact our office at (414) 271-8650 with any questions or concerns. We look forward to hearing from you.

Sincerely,
HAWKS QUINDEL, S.C.

Re: Linda Krupp v. Impact Acquisitions LLC
E.D. WI Case No. 14-cv-950

Dear Juan,

Our law firm represents Plaintiff Linda Krupp in a federal lawsuit for unpaid overtime wages against Impact Acquisitions, LLC. The lawsuit alleges that Ms. Krupp and other Digital Service Technicians at Impact were paid an annual salary regardless of their hours of work. As a result, in workweeks where Digital Service Technicians worked more than 40 hours, they may have been improperly denied overtime wages under the Fair Labor Standards Act ("FLSA").

It is our understanding that you worked as a Digital Service Technician at Impact within the past three years and may have a claim for unpaid overtime wages under the FLSA. If you would like to join the lawsuit, please fill out and return the enclosed Consent Form. Once we receive the form, we will file it with the Court and your FLSA overtime claims will be asserted in this lawsuit. Please keep in mind that your claims for unpaid wages under the FLSA can only go back two to three years from the date that your Consent Form is filed with the Court. As a result, each day that passes may decrease any potential overtime damages that you may be owed.

Please feel free to contact our office at (414) 271-8650 with any questions or concerns. We look forward to hearing from you.

Sincerely,
HAWKS QUINDEL, S.C.

As a result, in workweeks where Digital Service Technicians worked more than 40 hours, they may have been improperly denied overtime wages under the Fair Labor Standards Act ("FLSA").

It is our understanding that you worked as a Digital Service Technician at Impact within the past three years and may have a claim for unpaid overtime wages under the FLSA. If you would like to join the lawsuit, please fill out and return the enclosed Consent Form. Once we receive the form, we will file it with the Court and your FLSA overtime claims will be asserted in this lawsuit. Please keep in mind that your claims for unpaid wages under the FLSA can only go back two to three years from the date that your Consent Form is filed with the Court. As a result, each day that passes may decrease any potential overtime damages that you may be owed.

Please feel free to contact our office at (414) 271-8650 with any questions or concerns. We look forward to hearing from you.

Sincerely,
HAWKS QUINDEL, S.C.
